

Welcome to Year 3

Dear Parents/ Guardians,

Welcome to year 3! We hope you had a wonderful summer holiday and are looking forward to your year ahead.

Here are just a few important events and daily routines that you should familiarise with, to enhance your child's learning at school and most importantly at home.

Home Learning - This year's home learning will be given out on a Friday and it will need to be returned on the following **Monday**. English and Maths home learning will be given out on alternating weeks. We will expect to see this in school every week as one of our lessons the following week will be designated to mark these learning tasks with the children so that we can clarify any misunderstandings.

If there are any problems with completing home learning, please feel free to come and see one of the year 3 team as we know how busy family life can be.

Reading - Children will be developing and enhancing their reading in fun and exciting ways whilst at school, we please ask that you listen to your child daily and comment/sign their reading record. We aim to listen to your child read fortnightly and expect their reading books and records to be in school **every day**. We would love to know your thoughts on how they are progressing.

PE - Year 3 will have PE lessons on a **Friday** afternoon. Please ensure your child has their indoor and outdoor PE kit and that all jewellery is removed. PE kits will be expected to be in school this week and will be returned prior to the holidays.

Your child does not need any stationary or equipment as this is provided. There are lunch boxes for your child to store their lunchboxes in and boxes for their water bottles. There is limited space in your child's shared coat cupboard so please ensure your child is only bringing in a book bag (a clear one will be provided).

Please ensure belongings are labelled so that it is easier to locate them if they are misplaced.

We endeavour to keep you up to date with any news that we have or any events that are coming up, such as school visits and home learning projects. Feel free to come and speak to us if you have any queries at all.

Thank you for your cooperation.

Yours faithfully,

Year 3 Team – Miss Edmunds, Miss Adams, Miss Noakes and Mrs Smith.
