

Friday 6th June 25

Dear Parents and Carers,

Welcome back to the very busy Summer 2 half term. I hope everyone had a lovely break with fun family times.

On Monday, the pop-up-pool was back in action for after school swimming lessons and Y6 children. We welcome back Brian as our swimming coach and Runako as our lifeguard. The children are really enjoying their daily swimming lessons and making a lot of progress in this important life skill.

Another important life skill is Bikeability, some children in Year 5 have been learning the rules of the road this week in some very mixed weather! Half of our Reception children had great fun exploring Tamworth Castle and searching for Ruby the dragon. Our children behaved brilliantly and impressed the staff at the Castle.

Our Conservation Crew and Miss Noakes have been busy planting trees on our site. Two of these trees are beech trees in remembrance of two members of the Woodland's family: Roger Butt and Ted Akers. Ted has recently passed away but will be remembered fondly at Woodlands as someone who greeted us all in the mornings, on the gate with Dennis, always with a huge smile and a joke.

Next week, the second Reception group are visiting Tamworth Castle and we have our Father's Day Bring and Buy Sale on Thursday / Friday. Children can bring in a potential gift and £1.00 so they can then choose something for the special person in their life that makes a difference.

It has been a special few days for a number of our families as they have been celebrating Eid ul Adha 2025. We wish them all a very 'Happy Eid'

Question of the week that we will be discussing in school and you can discuss at home too:

What's happening in the news this week?

Let's have a look at this week's poster!

9th - 15th June 2025

What do animals need to be happy and healthy in zoos?

Zoos, aquariums and safari parks in Great Britain will soon have to follow new rules to help them take better care of animals .

FANTASTIC ATTENDANCE DURING THE LAST WEEK!

2D 99% and 3A / 4R 96% all achieved great attendance

Very well done to these children and their families.
These children deserve an extra playtime.

The first lesson begins at 9:00 which is a core lesson, including RWI. If your child is late they will miss the teacher input - the direct teaching and modelling.

Achieving Out of School Super Stars

Ella in Y1 has been growing her hair for The Princess Trust and finally had it cut during the break. Ella has successfully raised £325 for the charity which is incredible. What a selfless act that will make such a positive difference to someone's else's life. We are very proud of you Ella.

Molly had a very exciting Sunday, her cheerleading team attended a competition with many other cheerleading teams and did extremely well. Her team came first three times and second once. They were also awarded the title of Grand Champions. Wow!

Thea attended with her Stagecoach Club The Junior Theatre Festival and performed a piece from Legally Blond which earned her group an award. Thea was able to watch many other theatre groups performing at the ICC and saw snippets from the West End musicals. A very exciting day.

End of seasons awards for Nixon resulted in him achieving two trophies for top goal scorer and parents player. Very well done Nixon.

Wonderful achievements by our children!

Who are the SUPERSTARS this week?

Class	Name	Reason
NAM	Elijah	Working hard on recognizing your name, and beginning to form some of the letter of your name.
NPM	Sahajveer	Working hard on your pencil skills, tracing over your highlighted name and joining the dashes together to make a ladybird.
RG	Elsie-Mae	For being a super helper in class. Elsie always wants to help tidy up and put away. J
RJ	Holly	Super work in Science – we have been learning about materials and how they change. Holly was able to explain how water can freeze into ice and melt – well done!
1W	Freyja H	Fanastic improvement in her handwriting. Freyja has been working really hard to ensure that she has neat handwriting that is sitting on the line with finger spaces. Well done!
1S	Rosie P	For fantastic creativity when writing an independent story! Rosie applied all of the writing skills needed and created a wonderful story! Well done!
2CP	Ollie Ansell	Worked well as part of a team to collaborate collecting resources in our natural habitat to create a 3D sculpture
2D	Leighton W	For working well collaboratively within a team to create a 3D sculpture using natural resources. Leighton collected resources and put ideas forward to create a wonderful piece of art. Well done Leighton!
3A	Ollie-Jay M	For Ollie-Jay's attitude and effort in our RAID lessons. Ollie-Jay has put 100% effort into each lesson and has tackled challenging questions more independently. Well done Ollie-Jay!
3G	Annabelle W	Marvellous maths! Annabelle has a great understanding of maths which she demonstrates in her learning but still knows when and how to ask for help if needed.
4R	La'Shae	For a super start to an origin story, explaining how Starjik became evil. Well done La'Shae.
4N	Gurvur	Always giving 100% in all areas of your learning. You are a wonderful role model to others.
5HO	Maddison B	How hard you have been working across all of your lessons. You have especially been applying yourself to your Maths lessons within our line graph world. Keep up the hard work.
5HA	Grace O	For her continuous effort in all subjects. Grace has a great attitude towards her learning always wanting to improve. Well done – Keep it up!
6P	Oliver C	For working hard, both in school and at home, to improve his writing. Oliver went above and beyond in our writing about the Holocaust.
6E	Rosie M	For experimenting with language and punctuation, as well as her wider reading to improve the quality of her writing. Rosie truly embodies the meaning of the phrase – seize every moment. I am so proud of you.
